Front Range Invitational Features Skaters from Local and Out-of-State Clubs

June 2, 2017 – (Greeley, CO) – Mountain View Skating Club (MVSC) will be hosting their annual Front Range Invitational Saturday, June 3 with sixty-five skaters attending from ten different skating clubs. The event will be held at the Greeley Ice Haus, home to MVSC. “Each year participants come from all over the Front Range to compete and show off their skills” stated Amanda Gustafson, Greeley Ice Haus Manager, “it’s really a lot of fun to watch.”

“This year the competition has grown and will feature skaters from Greeley, Fort Collins, Loveland, Centennial, Littleton, Colorado Springs, Boulder, Lakewood and even the state of Arizona” per Carlos Rael, Mountain View Skating Club President. “There will be roughly six local skaters at the event competing,” said Rael. The Front Range Invitational is a USFSA (United States Figure Skating Association) Basic Skills Competition. “Ice skaters don’t necessarily have to belong to a figure skating club to participate, local Basic Skills participants can compete as well” said Corbin Fitzgibbons, Recreation Coordinator.

Figure skaters will be warming up and practicing their routines today getting ready for the figures skating competition. The community is able to attend and watch the competition at the Greeley Ice Haus, located at 900 8th Avenue in downtown Greeley. For more information call the Greeley Ice Haus at 970-350-9402 or visit www.greeleyicehaus.com.
