Splash into summer with Swimming Opportunities in Greeley

May 16, 2019 (Greeley, CO) – The City of Greeley’s outdoor pools and splash parks officially open May 27. What a great way to celebrate Memorial Day than with a dip in the pool! New this year, Centennial Pool and Discovery Bay Waterpark will now be accepting debit and credit cards.

Centennial Pool, located at 2315 Reservoir Rd., features a splash pad, diving board, small and large slides and a 50-meter lap pool. Discovery Bay Waterpark, located at 715 E. 24th St., is home to an iconic dinosaur-theme pool, lazy river, splash pad and a 243 ft. slide. Open swim hours are from 12- 5pm daily. Admission is \$4 for youth/seniors, \$4.50 adults and \$1.50 for children 5 & under, accompanied by an adult. Both of our outdoor pools offer a 10-punch youth/senior pass option for \$32 and \$40 for adults.

The Wibit® AquaTrack is returning to the Centennial Pool on Thursdays, June 6-July 18 from 7:30-9pm. Come test your aquatic and agility skills!

The “Swim-In Movie” is back at Centennial Pool on Thursday, July 25 from 8-10pm. Float in the water while watching a film, snack on \$1 bags of popcorn or grab dinner at the Wing Shack Food Truck. Admission is \$4 for youth and seniors, \$4.50 for adults and \$1.50 for children 5 & under. Follow GreeleyRec on Facebook for movie title closer to the event.
